Practices of Open in Legal Theory

Present situation in legal theory:

• Research processes are closed (only the publication matters)

• Majority of journals, monographs and textbooks are closed access, especially the prestigious
Practices of Open in Legal Theory

How to change?

1. Open the research process
Practices of Open in Legal Theory

How to change?

2. Publish Open Access
Practices of Open in Legal Theory

How to change?

3. Talk about your open science practices
Practices of Open in Legal Theory

How to change?

4. Support and promote the idea of Open Science and Open Science Initiatives

Open Science Working Group at Freie Universität Berlin
Summary

1. Open the research process
2. Publish Open Access
3. Talk about your open science practices
4. Support and promote the idea of Open Science and Open Science Initiatives
